

## Comprehensive Cleft Care: Family Edition

By Joseph Losee

Thieme Georg Verlag Apr 2015, 2015. Bündel. Condition: Neu. Neuware - For parents, learning that their newest family member may bring some unexpected challenges along with the blessing of his or her arrival can take a bit of adjustment. They have questions and need a trusted source of information to allay their fears. You are that source. However, most of the time, parents receive almost too much information to take in all at once, and questions arise as they digest the information. The parents of your patients may wonder: Did I hear that right What does that term mean What should I do next What is in store for my family From diagnosis to treatment options, Comprehensive Cleft Care: A Family Edition provides families with important information to help them fully understand their child's condition and its treatment. Authored by parents and professionals, this unique work was written with real-life challenges in mind. Two of the book's editors have raised cleft-affected children. As a result, the information provided is not only informative and helpful, but also personal, readily accessible, and relevant from a parent's perspective. This book enables parents and families to play a central role in navigating their child's...
